About Us

Welcome to TEAMSable POS!

We are proud to be an established company with over a decade of experience in the Point of Sale industry.

Founded in 2006, TEAMSable POS started as a division of Team Research Inc., a public company in Taiwan and doing business based in San Jose, California. Our strong manufacturing background has enabled us to offer a comprehensive range of POS Hardware, mPOS and Payment solutions to meet the needs of our customers.

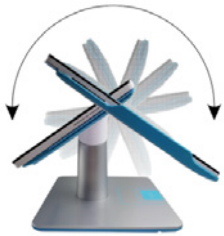

At TEAMSable POS, we are passionate about helping our customers succeed. We strive to provide the most reliable and advanced POS solutions for both small and large businesses with superior customer service.

We invite you to explore our website and discover the endless possibilities that TEAMSable POS can offer.

PAYMENT TERMINALS

12" Payment Terminal **APT-120**

The TEAMSable APT-120 is a next-generation smart terminal that incorporates EMV, NFC & MSR card reader capabilities. A removable 12" tablet monitor for a fully functional point of sale system experience is perfect for a countertop, line-busting, and inventory applications for retail, hospitality, and many other verticals. The APT-120 provides maximum savings by reducing 2 terminals into 1, reducing installation timelines, and increasing overall product ROI compared to separately purchased terminal installations.

- 12" Touch Screen
- 1366x768 Resolution
- 3GB RAM / 4GB eMMC
- Wifi / BL / 4G
- USB, Ethernet
- EMV / MSR / NFC
- Android 5.1

5.5" Payment Terminal **APT-50**

The APT-50 is a revolutionary device that can be used as a stand-alone mobile POS/ payment terminal or semi-integrated with a traditional POS system. Our forward-thinking smart terminal is ideal for hassle-free pay-at-the-table and line-busting applications, for example, due to its large 5.5" touchscreen, onboard thermal printer, and EMV/MSR/NFC card reader functionality.

- 5.5" Touch Screen
- 1280x800 Resolution
- 1GB RAM / 4GB eMMC
- Wifi / BL / 4G
- EMV / MSR / NFC
- Android 8.1

4.5" Payment Terminal **APT-40MINI**

The APT-40Mini is a pocket-sized payment processing powerhouse packed with features and value. Its compact footprint is ideal for merchants seeking a lightweight, highly mobile, and secure payments solution.

- 4.5" Touch Screen
- 854x480 Resolution
- 1 GB RAM / 4GB eMMC
- Wifi / BL / 4G
- EMV / MSR / NFC
- Android 8.1
